Collegiate License Plate Program

12

Utah Tax Commission

Participating Institutions

Utah collegiate plates are issued to applicants who have made the required contribution to an academic scholarship fund at a participating institution of higher education.

Minimum contribution amounts, established by individual institutions, are listed in the columns at the right. Each institution will accept amounts over the minimum level, but only one set of license plates per donation will be issued.

You can make your donation at the college of your choice or at the motor vehicle office. If you make your donation at the college, bring the following into your local motor vehicle office to obtain the collegiate plates:

- ◆ The original white copy of the Certification of Scholastic Fund Donation, form TC-836. This form is issued by the college or university; and
- ◆ Your current registration certificate for the vehicle to which the collegiate plates will be assigned. You do not have to wait for your current registration to expire.

To keep the collegiate plates, a contribution must be made annually.
